FAQs

What do rental fees include?

Rental fees include floor plan design, set-up, break-down, disposable plates and cutlery, building security, cleaning, microphone and speakers. China, glassware, silverware, tables, chairs, linens, and other specialty décor can be rented for an additional fee upon request with at least two weeks' notice. Additional security and cleaning can also be requested for additional fees.

I need chairs and tables! What do I do?

When working with your caterer (or event coordinator), let them know what you need. The event space has tables and chairs to accommodate 100 for dinner or 150 for a theater-style event (press conference, presentation, etc.). The costs are \$12.50 per table and \$3.50 per chair.

Where do my guests park?

St. Joe's Parking Garage and Mortimer St. Parking Garage are both conveniently attached right to our building. The garages provide over 500 parking spaces attached to the building. Parking validations can be purchased for your guests (\$2/hour or \$10/day per vehicle). There are also 170 parking spaces in and around Parcel 5. Street parking is free after 5:00pm. We can assist in booking a valet service for you if budget allows.

How does payment work?

The facility fee will lock in the date and the specific space for your event. All spaces remain available for booking until payment is received. The rental fee is non-refundable and non-transferable. This payment can be made via credit card or check (made out to Sibley Mercantile Oz). If your event is being catered, your caterer will need your final menu and head count at least two weeks prior to your event. A 50% deposit for the food and beverage is required when placing your food and beverage order, and the final payment is required on the day of your event. These payments can also be made by credit card or check (made out to the caterer).

Can I bring my own food or use another caterer?

Per the NYS Health Department all food and beverage being served in The Mercantile on Main needs to be prepared by one of our licensed and insured kitchens and operators.

Can I have live music or a DJ?

Yes, though this is determined on an event-by-event basis. All music would need to end by midnight unless written permission from WinnCompanies is received. *The Mercantile on Main operators and security reserve the right to stop any music or performance that is aggressive, disrespectful, profane or incites violence.*

Am I allowed to decorate?

Yes! We invite you to make your event yours. Please feel free to bring in any décor an hour before the event (this timeframe is negotiable). Please, no confetti and no tape or glue on our walls. All décor must be removed at the end of your event unless other arrangements are made ahead of time.

Where are the restrooms?

Past The Commissary, down the hall on the right. There are enough stalls to accommodate over 500 guests.

Whom do I work with to plan the details of my event?

You will primarily work with the caterer you book.

Will my event be completely private?

Your preferred caterer will help you choose the space that will align best with your needs. While we host private and semi-private events, the Mercantile is in a 1.1 million sq ft building that is home to many commercial businesses and 280 residential apartments. These occupants have access to the building 24/7. However, we can section off specific areas to make your space secluded.

I want to hold my wedding here; is there an area for my bridal party to get ready?

Yes, we have areas where both bridesmaids and groomsmen can get all done up for the big day.

Is there an easy place for my vendors to load and unload?

Yes. We have a loading dock at the back of the building. Just let us know who to expect and what time and our staff will help direct them.

Are there any other fees to be aware of?

8% NYS sales tax will be added to all final invoices (unless a tax-exempt form is provided). A 22% service fee will be added to all food and beverage to cover the caterer's service/bar staff.

Are there discounts for nonprofit organizations?

We love to work with community organizations. Ask us about our discount program for nonprofit events and fundraisers. 501c3 or other NPO documentation required.

Help!

What if I don't want to deal with day-of details?

You don't have to! For an additional fee we can provide a designated coordinator to oversee everything and ensure your plans are flawlessly executed — from vendors and staff to plate settings, flowers and more. That way you're free to enjoy every moment of your dream event as it unfolds.
